## MEMORANDUM

TO: Sharon Hayes, U.S. EPA  
FROM: *R.L.H.* Rebecca L. Hewett, Maine DEP  
DATE: June 19, 1990  
SUBJECT: Addition of Five (5) Sites to CERCLIS.

SDMS DocID 582398

\*\*\*\*\*

The Maine Department of Environmental Protection (DEP) requests that the following five (5) sites be added to CERCLIS:

- a. Burt Company, Portland;
- b. Waterville Gas Works, Waterville;
- c. Seaway Boats Manufacturing Facility, Winthrop;
- d. Old Bonafide Industries Dump, Winthrop; and
- e. Bangor Gas Works, Bangor.

See the five (5) enclosed Potential Hazardous Waste Site Identification forms for the Site addresses and any other available site information.

Additionally, the above five (5) Sites are listed on the Preliminary Assessment list of the DEP's Multi-Site Cooperative Agreement (EPA I.D. No. V001736011) augmentation application package which was submitted to EPA, Region 1 on June 5, 1990.

Upon entry into CERCLIS, please notify me of the EPA I.D. No. (MED...) assigned to each Site.

If you have any questions concerning the addition of these five (5) Sites, please call me at (207) 289-2651.

cc: Debra J. Tierney, DEP  
Enid Jones, DEP
